Who Is This Vendor Assessment For?

NelsonHall's profile on WNS Global Services is a comprehensive assessment of WNS' healthcare provider BPO offerings for organizations and capabilities designed for:

- Sourcing managers monitoring the capabilities of existing suppliers of healthcare provider BPO services and identifying vendor suitability for healthcare provider BPO services RFPs
- Vendor marketing, sales, and business managers looking to benchmark themselves against their peers
- Financial analysts and investors specializing in the support services sector

Key Findings & Highlights

This NelsonHall vendor assessment analyzes WNS' offerings and capabilities in healthcare provider BPO services. WNS is one of a number of healthcare provider BPO service companies analyzed in NelsonHall's comprehensive industry analysis programs.

WNS Global Services (WNS) is a global BPO services company. WNS supports healthcare providers across RCM as well as in medical transcription and coding services. WNS also offers non-BPO services to healthcare providers that complement its healthcare outsourcing service offerings.

WNS' healthcare provider BPO service offerings include:

- Eligibility verification & authorization
- Claims submission
- Payment posting
- Accounts receivable, denial management

WNS has the underpinnings for a successful practice working with healthcare providers. Given the favorable market conditions and its commitment to this market as a driver of growth, it should be able to achieve its revenue growth ambitions.

Scope of the Report

The report provides a comprehensive and objective analysis of WNS' healthcare provider BPO offerings, capabilities and market and financial strengths including:

- Analysis of the company's offerings and key service components
- Identification of the company's strategy, emphasis and new developments
- Analysis of the company's strengths, weaknesses and outlook
