

# Genpact Transforming Wealth and Asset Management Services

Vendor Assessment  
Report Abstract

August 2021

by Andy Efstathiou  
Director  
NelsonHall

10 pages

## Who Is This Vendor Assessment For?

NelsonHall's Transforming Wealth & Asset Management Services Vendor Assessment for Genpact is a comprehensive assessment of Genpact's wealth and asset management services offerings and capabilities designed for:

- Sourcing managers monitoring the capabilities of existing suppliers of intelligent automation processes and identifying vendor suitability for wealth and asset management services RFPs
- Vendor marketing, sales, and business managers looking to benchmark themselves against their peers
- Financial analysts and investors specializing in the support services sector.

## Key Findings & Highlights

Genpact has been delivering W&A services since 2003. Its initial client was GE Capital, which allowed it to build a broad set of capabilities. Over time it has focused on delivering W&A services to global financial institutions. It works with the largest wealth managers, custodians, and asset managers. Its engagements are often large-scale platform consolidation or renovation efforts. Its acquisitions over the years have all supported its efforts to support client efforts to transform and run operations. Today, Genpact is driving its W&A offerings to support experience-led (CX) digital transformation.

## Scope of the Report

The report provides a comprehensive and objective analysis of wealth and asset management services offerings, capabilities, and market and financial strength, including:

- Identification of the company's strategy, emphases and new developments
- Analysis of the company's strengths, weaknesses and outlook
- Revenue estimates
- Analysis of the profile of the company's customer base including the company's targeting strategy and examples of current contracts
- Analysis of the company's offerings and key service components
- Analysis of the company's delivery organization including the location of delivery locations.
