Key Findings & Highlights

SD Worx, headquartered in Antwerp, Belgium, is a leading global people solutions provider with global capabilities across 150 countries and European roots. SD Worx is one of the largest HR providers in Europe with a physical presence in eighteen countries, ~5.6m employees served, supporting ~75k clients, and processes ~5m payslips per month. SD Worx conducts business through two primary segments:

- People Solutions: payroll, expenses, compensation and benefits, recruitment and workforce management, HR technology, services, SAP Successfactors consulting (the Adessa organization), and automation
- Staffing and Career Solutions: staffing, recruiting, and consulting.

SD Worx was established in 1945 as a non-profit company to provide services for social administration. In 1990 it began offering HR consultancy and training services. It has grown into a comprehensive HR service provider and is dedicated to HR services across Europe. In recent years SD Worx expanded its Cloud HR Transformation offerings and geographical coverage primarily through an acquisition approach.
