## Key Findings & Highlights

SafeGuardWorld International (SGWI) is a global managed payroll service provider, and an employment outsourcing and ancillary HR services provider headquartered in Austin, Texas.

SGWI started in 1969 as part of a U.K. domestic payroll provider; by 2006 it had begun to focus on international payrolls using an aggregator model, supporting multi-country payrolls through a partnership network of local providers. In 2008, it became independent of the U.K. business following a management buy-out. FedEx and Skype were two of its first international payroll clients; other brand name clients include eBay, Warner Bros, Burberry, EasyJet, and Amazon.

Today, it is delivering ~1.2m payslips annually across ~149 clients, ~60% of which are headquartered in the U.S.
