Who Is This Vendor Assessment For?

NelsonHall's 'Transforming Mortgage & Loan Services' Vendor Assessment for Cappemini is a comprehensive assessment of Cappemini's lending industry digital services offerings and capabilities designed for:

- Sourcing managers monitoring the capabilities of existing suppliers of M&L processes and identifying vendor suitability for M&L services RFPs
- Vendor marketing, sales, and business managers looking to benchmark themselves against their peers
- Financial analysts and investors specializing in the support services sector.

Key Findings & Highlights

Capgemini has provided consulting and IT services to the lending industry for decades. Ten years ago, it started delivering lending transformation services, initially for Nordic lenders. Over time Capgemini has been acquiring consultancies to expand its capabilities in integration and transformation. Key acquisitions include Kanbay, Altran, and iGate. In the past two years, Capgemini has focused its M&L services development on its cloud migration services. It approaches engagements with a digital-only mindset to get clients to move away from any manual processes. As part of its digital-only strategy, it targets and works with many lenders worldwide who hold digital-only banking licenses.

Scope of the Report

The report provides a comprehensive and objective analysis of M&L services offerings, capabilities, and market and financial strength, including:

- Identification of the company's strategy, emphases and new developments
