Who is this Vendor Assessment for?

NelsonHall's Learning Platforms profile on Edflex is a comprehensive assessment of Edflex's offerings and capabilities, designed for:

- Sourcing managers monitoring the capabilities of existing suppliers of learning platforms and identifying vendor suitability for learning platform RFPs
- Vendor marketing, sales, and business managers looking to benchmark themselves against their peers
- Financial analysts and investors specializing in the learning platform sector.

Key Findings & Highlights

Edflex was founded in 2016 by three students determined to make it easier to access training in the business world. Edflex has 100 employees, more than 300 active clients (many Fortune 500 companies), and ~1.5m users worldwide, changing how companies train their employees. Its mission is to help organizations transform and develop employability with the best learning content. In 2024, Edflex acquired Milan-based Ofcourseme to expand its EMEA footprint.

Edflex is a SaaS solution that enables learners to access 70k+ pieces of online training content in 15+ formats in a simplified way. It has evolved its offering in late 2023 based on its clients' changing needs, such that it now provides core value propositions and various add-on packages. It has several USPs and continues to deliver on its roadmap.

Large enterprises seeking a fit-for-purpose SaaS solution that provides AI-driven curated content in critical skilling areas to augment existing ecosystems of technology should look at Edflex's curated learning content solution.
