## Who is This Vendor Assessment For?

---

NelsonHall's supply chain transformation profile on Exertis SCS is a comprehensive assessment of Exertis's offerings and capabilities, designed for:

- Sourcing managers monitoring the capabilities of existing suppliers of supply chain transformation services and identifying vendor suitability for supply chain transformation services RFPs
- Vendor marketing, sales, and business managers looking to benchmark themselves against their peers
- Financial analysts and investors specializing in the supply chain services sector.

## Key Findings & Highlights

---

Established in 1978, Exertis Supply Chain Services (SCS) focus on supply chain design, fulfillment and operation. Exertis SCS is a member of the Exertis group, the technology division of DCC plc.

Exertis SCS:

- Is a business unit of the Exertis group, comprising ~5% of this division by revenue
- Operates as a small part of a large, financially secure company which gives it the financial backing to make moves to support clients globally
- Operating globally with basis in Ireland, Poland, China, and the U.S.

## Scope of the Report

---

The report provides a comprehensive and objective analysis of Exertis SCS's supply chain transformation offerings and capabilities, and market and financial strengths, including:

- Identification of the company's strategy, emphasis, and new developments
- Analysis of the company's strengths, weaknesses, and outlook
- Revenue estimates
- Analysis of the profile of the company's customer base, including the company's targeting strategy and examples of current contracts
- Analysis of the company's offerings and key service components
- Analysis of the company's delivery organization, including the location of delivery locations.
