Who is This Vendor Assessment For?

NelsonHall's "Global Healthcare and Insurance BPS Market Forecast: 2022-2026" report is a comprehensive market forecast report designed for:

- Sourcing managers monitoring the Healthcare and Insurance BPS industry and seeking to identify leading vendors for shortlists and RFPs
- Executives seeking assistance in identifying levels of Healthcare and Insurance BPS vendor presence by service line and geography
- Vendor marketing, sales, and business managers looking to identify market sizes and growth rates and their market share relative to their peers
- Financial analysts and investors specializing in the support services sector.

Key Findings & Highlights

The full breakdown of NelsonHall's BPS market forecast and vendor market shares across 81 BPS service lines, 39 geographies, and 39 industry sectors can be obtained via [NelsonHall's Self-Service Forecast Tool](#).

This self-service tool aims to assist executives in accessing the precise combinations of market size, growth, and vendor share information they require rapidly and cost-effectively, supporting more informed decision-making.

In particular, the "[NelsonHall Self-Service Market Forecasting tool](#)" enables executives to tailor the scope of any market forecast or vendor market share download by selecting one or multiple service lines, geographies, and industry sectors and downloading market size, growth, and vendor share information against these parameters. Furthermore, decision-makers are no longer inconvenienced by delays in the manual production of customized reports on their behalf.

The tool now covers not just business process services but has subsequently been expanded to support 13 IT outsourcing service lines, also by geography and industry sector.

Scope of the Report

The report provides a forecast for the global BPS outsourcing market overall and by geography and service line. It covers the following:

- The Healthcare and Insurance BPS market size for 2021 and the forecast for the business process services market through 2022 to 2026
- The Healthcare and Insurance market sizes and forecasts for North America, specifically covering the U.S. and Canada; EMEA, specifically covering U.K., France, Germany, and Italy; Asia Pacific; and LatAm
- The Healthcare and Insurance BPS services market sizes and forecasts by service line
- The H&I BPS market sizes and forecasts by combinations of service line and geography
- Vendor revenue shares for 2021 by service line and geography.

About The Author

Brandon is a Market Analyst responsible for NelsonHall's global Healthcare & Insurance BPS research.

Brandon covers the areas of healthcare payer, healthcare provider, life sciences, life & annuities, and property & casualty insurance.
