## Who Is This Report For?

NelsonHall's "Global Document Management Market Forecast: 2019-2023" report is a comprehensive market forecast report designed for:

- Sourcing managers monitoring the Document Management industry and identifying vendor suitability for shortlists and RFPs
- Executives seeking assistance in identifying levels of Document Management vendor presence by service line and geography
- Vendor marketing, sales and business managers looking to benchmark themselves against their peers
- Financial analysts and investors specializing in the support services sector.

## Scope of the Report

The report provides a forecast for the global business process outsourcing market overall and by geography and by service line. It covers the following:

- The Document Management market size for 2018 and the forecast for the Document Management market through 2019 to 2023
- The Document Management market size and forecast for North America, specifically covering the U.S. and Canada; EMEA, specifically covering U.K., France, Germany, and Italy; Asia Pacific; and Latin America
