## Who is this Vendor Assessment for?

---

NelsonHall’s ‘Transforming Mortgage and Loan Services’ profile on LTIMindtree is a comprehensive assessment of LTIMindtree’s offerings and capabilities for the mortgage and loan sector, designed for:

- Sourcing managers monitoring the capabilities of existing suppliers of technology and operational services and identifying vendor suitability for mortgage and loan services in RFPs
- Vendor marketing, sales, and business managers looking to benchmark themselves against their peers
- Financial analysts and investors specializing in the support services sector.

## LTIMindtree Findings & Highlights

---

LTIMindtree has worked with the financial services industry for 25 years. BFS is the largest industry by revenue for LTIMindtree and accounts for 36% of overall revenues. Over the years, it has built its capabilities through mergers and partnerships with platform and solution vendors. Its proprietary IP focuses on accelerating implementation and customizing functionality for client markets.

LTIMindtree helps clients transform their mortgage and loan services by:

- Simplifying heterogeneous LOS and servicing platforms to improve operational efficiency
- Modernizing legacy core lending platforms and building a microservices API integration layer to enable third-party ecosystems to integrate into the client’s platform and drive new business opportunities
- Enabling emerging functionality such as AI/GenAI and alternative financing solutions (e.g., green bonds and ESG-linked loans).

## Scope of the Report

---

The report provides a comprehensive and objective analysis of LTIMindtree’s BFS-focused mortgage and loan service offerings and capabilities and market and financial strength, including:

- Identification of the company’s strategy, offerings, and new developments
- Analysis of the company’s strengths, weaknesses, and outlook
- Revenue estimates
- Analysis of the profile of the company’s customer base including the company’s targeting strategy and examples of current contracts
