Who Is This Vendor Assessment For?

NelsonHall's procurement BPO profile on Optimum Procurement Group ('Optimum') is a comprehensive assessment of Optimum's offerings and capabilities designed for:

- Sourcing managers monitoring the capabilities of existing suppliers of procurement BPO services and identifying vendor suitability for Procurement BPO RFPs
- Vendor marketing, sales, and business managers looking to benchmark themselves against their peers
- Financial analysts and investors specializing in the support services sector.

Key Findings & Highlights

Optimum Procurement is a U.K. based procurement services provider established in 2007.

Optimum's procurement services are delivered via one of three engagement models:

- Outsourcing
- Co-sourcing: where Optimum brings additional capacity and capability to the client's team
- Outsourcing consultancy.

It offers some specialist services, such as vehicle fleet management and a recently launched E-Switch offering.

Scope of the Report

The report provides a comprehensive and objective analysis of Optimum's procurement BPO offerings and capabilities, and market and financial strengths, including:

- Identification of the company's strategy, emphasis, and new developments
- Analysis of the company's strengths, weaknesses, and outlook
- Revenue estimates
- Analysis of the profile of the company's customer base including the company's targeting strategy and examples of current contracts
- Analysis of the company's offerings and key service components
- Analysis of the company's delivery organization including the location of delivery locations.
