## Who is this Vendor Assessment for?

---

NelsonHall's Learning Platforms profile on Tenneo is a comprehensive assessment of Tenneo's offerings and capabilities, designed for:

- Sourcing managers monitoring the capabilities of existing suppliers of learning platforms and identifying vendor suitability for learning platform RFPs
- Vendor marketing, sales, and business managers looking to benchmark themselves against their peers
- Financial analysts and investors specializing in the learning platform sector.

## Key Findings & Highlights

---

Tenneo (formerly G-Cube LMS) is an employee learning products company with a CMMI Level 3 certification. Its advanced learning solutions have earned it a strong international presence with delivery and support capabilities. With a mission to improve the employee learning experience, Tenneo has deployed over 300 LMSs serving a user base of over two million. Tenneo offers two major learning solutions: Tenneo LMS and Tenneo LPP.

Tenneo's enhanced out-of-the-box LMS v8.2 with its four progressive variants (Learn, Learn+, Grow, and Act), connectors, platform and content bundles, enabled by AI/GenAI, offers a highly tailored and cost-effective solution for organizations and their audience groups wherever they are on their learning transformation journey. It will continue to invest in AI/GenAI-enabled features and functionality in the future.

Buyers of all organizational sizes looking for a cost-effective, modular, AI/GenAI-enabled, quick-deploy solution (in two to eight weeks) that is suitable for niche sectors (with vital compliance needs) and the extended workforce while also interested in learning services should read this profile on Tenneo.
