Who is this Vendor Assessment for?

NelsonHall's QE profile on ValueMomentum is a comprehensive assessment of ValueMomentum's offerings and capabilities designed for:

- Sourcing managers monitoring the capabilities of existing suppliers of QE and identifying vendor suitability for quality engineering/QA/testing services
- Vendor marketing, sales, and business managers looking to benchmark themselves against their peers
- Financial analysts and investors specializing in the QE and IT services sectors.

Key Findings & Highlights

This NelsonHall vendor assessment analyzes ValueMomentum's offerings and capabilities in QE.

ValueMomentum was founded in 2000 and has its headquarters in Piscataway, NJ. The company is privately held and at the end of 2022 had a headcount of 5k. The company has ~75 active clients. ValueMomentum provides a wide range of IT services, focusing on digital, data, and transformation.

The company has structured its capabilities into LoBs, e.g., digital & cloud, data leverage, "core leverage," QualityLeap, and Customer Communications Management. It services the BFSI industry and the U.S. healthcare payer sector. P&C insurance is one of its strengths, with the company highlighting 10 of the 25 largest P&C insurers in the U.S. are its clients.

QualityLeap, the testing services practice, is a standalone LoB with its own P&L. It oversees delivery, portfolio and IP management, and sales & marketing. It focuses on P&C & life insurance, core and open banking, and healthcare payers. The unit is structured around four CoPs: insurance, banking, technology, and healthcare.
