## Who is this Vendor Assessment for?

---

NelsonHall's Conversational Commerce profile on WNS is a comprehensive assessment of WNS' offerings and capabilities, designed for:

- Sourcing managers monitoring the capabilities of existing suppliers of CX services and identifying vendor suitability for lead generation, new customer acquisition, sales, and retention services RFPs
- Vendor marketing, sales, and business managers looking to benchmark themselves against their peers
- Financial analysts and investors specializing in the CX services sector.

## Key Findings & Highlights

---

WNS Sales CoE, REV, and UPLIFT frameworks and models are part of the company's EXPiRiUS end-to-end digital framework which covers human-assisted and AI-supported CX under the industry domain. WNS unifies these capabilities: automated sales across channels, sales agent assist tools, talent upskilling and engagement, and analytics.

Outsourcing clients looking for a CX services vendor with strong sales campaign consulting and analytics offerings, significant investments in predictive and prescriptive analytics, and dedicated travel agent and customer assist platform, should especially consider this profile on WNS.
